Q: Adding a new field to a ticket with the following rules to automatically delete I've got a rather complex process where many rules need to be created, one of them being to automatically delete an old ticket once an updated ticket is created. However I can't seem to find out how to set this up. I've been using CiviCRM 4.6.5 and it's a Drupal 6 installation. My Rules are in the database and I can't seem to find where they are stored. Can anyone help me? A: Right click on the rule 3e33713323
